Success Story of our Superstar

“

I never imagined that I would get a break for my passion of acting at such a small age! I was passionate about acting but never knew the importance of communication skills until I joined PlanetSpark. PlanetSpark classes acted as a catalyst for developing my language skills especially nurturing my impactful voice and presentation skills. I have been selected for a Tamil movie and I owe this credit to my PlanetSpark classes as I gave the auditions in English. I had so much fun while learning and participating into activities where I had to mime and mimic at times. I am always eager to attend my classes and enjoy them.
